**For rental we have multiple 15 x 15 bouncers, plus a mini slide.
We rent helium tanks too!**

15 X 15 bouncer w/Hot Air Balloons on the corners.

One of our most popular is our open bouncer with “hot air balloons”. Kids love to jump and bounce inside this inflatable. Let your mind wander as you soar up with the balloons! Weight limit is 250 pounds per person.

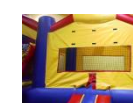

15 X 15 bouncer –Enclosed (House)

Our only enclosed inflatable is our closed top moonwalk/house. Take balls inside and try to hit the roof. Or, play Ring Around the Rosie! It all fits inside this “house”. Weight limit is 250 pounds per person.

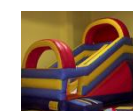

15 X 15 bouncer – Birthday Cake!

A cool one for birthday parties is our birthday cake bouncer/moonwalk. You can Jump and Bounce in your cake before you eat it! This bouncer is decorated with frosting, candles and flowers and is great for all types of birthday parties. Weight limit is 250 pounds per person.

15 X 15 bouncer – Volleyball

This bouncer has a bar across the top over which you can play volleyball. It comes with up to 6 balls at no additional charge, if requested. Weight limit is 250 pounds per person.

Mini-Slide

We also have a mini-slide (below right), and an open bouncer/moonwalk/castle which has a bar across the top over which to play volleyball. Weight limit is 150 pounds per person.

All ages are welcome on our equipment. Between ages 1 & 2, we request that an adult accompany the child. Under age 1 is not allowed on the inflatables for their head and neck safety. The manufacturer’s weight limit in the bouncers/moonwalks is 250 pounds per person, so we can accommodate most adults. The mini slide is our smallest piece and it has an individual weight limit of 150 pounds per person.
